Ellis’s CATCH Team

Meetings:
Second Wednesday of each month, and prior to the launch of a new task as needed.

Successes:
○ Updated CATCH bulletin boards each month.
○ Family engagement virtual field day in May.
○ Wellness Wednesday for staff and virtually for students.

Mrs. Junkleman and Mr. Swartz Two staff CATCH MVP’S!

Our CATCH team in the Cafeteria!
Our staff spreads the message of how they are CATCH MVP’s!

Morning announcements and bulletin boards are a great way to spread the CATCH message!

Our staff enjoys Go choices!

Our Kindergarten teachers added some CATCH terminology to the hallway decor.

Learning to Make Healthy Choices

Stay active, and have fun!

I enjoyed hearing the students remind each other and staff about Go, Slow, and Whoa foods and activities. CATCH has had a very positive impact on our staff, students and community!

Choosing GO activities!

Play is important!
Thank you for putting together the (CATCH Virtual Field Day) slide show, the kids had a lot of fun!
-Mrs. Norman
Health is CATCH’ing on

This year has been far from ordinary. We were so excited to have the opportunity to use the CATCH Kit in our building and spread reminders of health and wellness of the whole child. It was a great asset to the wellness of our staff and students. It was a joy listening to students talk about their favorite Go foods and activities as they walked past the bulletin boards.
